

UEI maintains a strict policy of at will employment with respect to both the duration and the terms of employment. Discharge can occur for cause or for no cause, for voluntary or involuntary actions, voluntary and involuntary, each requiring different procedures.

The employee and/or the supervisor should complete and sign sections 1 and 2 of the [Separation from Employment](#) form.

(Please be sure that the 'resigned' box at the top of the form is checked and that the student's last day worked is accurate.)

2. Fax the form to UEI's Human Resources Department at (916) 278-4747 or email to uei-hr@csus.edu
3. The supervisor must also approve the employee's final timesheet via UEI Workforce on the employee's last day. Email timesheet records to [hr@csus.edu](#) with all worked and unanticipated hours added

Involuntary

Before terminating an employee, we ask that you call our Human Resources department at (916) 278-7003 to discuss the nature of the termination and arrangements of final wages prior to discharging the student assistant. If approved, please ensure the following steps are completed [prior to discharge](#):

1. The supervisor completes and signs the [Separation from Employment](#) form. (Please be sure that all boxes that apply to the type of separation are checked at the top of the form and the student's last day worked is accurate.)
2. For accuracy, the supervisor must review the employee's timesheet on the [Final Paycheck Worksheet](#). Please note, the hours on the final timesheet should be identical to the hours entered on the [Final Paycheck Worksheet](#).
3. Please include all actual time worked as well as time anticipated to be worked through the last workday as entered on the [Final Paycheck Worksheet](#).
